Chantry Bowmen of Rotherham
50th Year Golden Anniversary
Presents the
Firbeck Crecy Shoot

For 2009 Chantry Bowmen present a Crecy shoot as part of their 50th Anniversary celebrations.

A warm welcome awaits all Archers wishing to join in our celebrations on what we hope will be a memorable day for everyone.

This unusual round will not be familiar to everyone but here in the Rotherham area some may recall the Firbeck Archers now disbanded hosting such a shoot back in the 80's / early 90's.

It is with great pleasure and we are proud to be given the opportunity of resurrecting this historic round. In using Firbeck style targets for this round we were more than happy to adopt the name Firbeck in the shoot title.

Following the assembly at 10.30am the Battle will commence with 3 dozen arrows to be shot at Knights on Horseback at 160 yards.

After which we will retire for a light Buffet lunch. The afternoons Battle will continue with 3 dozen Arrows shot at Men at Arms at 145 yards and to finish the day we will shoot 3 dozen arrows at Genoese Crossbowmen at 120 yards. All in the flavour of the original Battle way back in August 1346. The first major English land victory of the Hundred Years War, the battle of Crecy established Edward III and his son, Edward the Black Prince, as military heroes in England.

Juniors will shoot 4 $\frac{1}{2}$ dozen arrows at Men at Arms at 100 yards followed by 4 $\frac{1}{2}$ dozen at Crossbowmen at 80 yards.

NB Juniors are classed as under 16 only on day of shoot.

All targets will be as far as practicable, life size in construction.

These will feature on our web-site shortly before the event.
